

Susitna Music Parents:

10-19-15

The 4th, and 5th grade classes are continuing their study of the soprano recorder this year. Unlike in the past, we will be using recorder occasionally throughout the entire school year starting next week! There will be clean recorders in the classroom for student use, but should your child not want to borrow a clean instrument, they should bring their own from home on their music day.

- Ms. Jennifer – Mondays
- Mrs. Anteau – Tuesdays
- Mr. Hubbell – Tuesdays
- Mr. Allen Wednesdays
- Mrs. Mott – Thursdays
- Ms. Therriault - Fridays

If your student wants to purchase a recorder of their own, simply fill out the form below and return it along with \$4 (checks to Susitna) to your classroom teacher, the office, or Miss Vanderpool.

You can help by encouraging your child to play for you and allowing them practice time at home! Some music will be sent home with them to practice, other songs will be taught aurally (without written notes).

Thank you,
 Shawnee Vanderpool
